

The next generation of smart device control, URC Lighting creates the perfect atmosphere for entertaining or quiet family events with a programmable dimmer or switch and networking device. Installation is a breeze with the ability to configure this device as either a dimmer or switch. Seamlessly launch customized experiences with intuitive lighting control and so much more. Imagine...just tap the scene button to turn off the lights, turn on the TV, lock the doors, set the temperature and more. URC Lighting devices display notifications for programmed alerts like an open garage door, a triggered window sensor or an approaching delivery. With a simple touch, URC Lighting enables smart control and automation across the Total Control® system.

- Simple programming to select either dimmer or switch configuration
- Auto load detection eliminates the need to configure neutral or non-neutral installs (unless using as the accessory device)
- Built in configuration button with simple touch scene control
- Trailing edge, colorful, customizable LED bar for visual notifications
- Premium fit and finish - Available in 8 popular colors to fit upscale design

## SPECIFICATIONS

SKU	LT-3300-WH
UPC	656787-705296
Color Change	Default Color: White Color Change Kit Available to Change Paddle Color (8 Available Colors)
RF Technology	Z-Wave® Plus LR [S2 Encryption]
RF Frequency	908.42 MHz
Z-Wave Chip	800 Series
Power	120 Volt AC / 60Hz
Usage	Indoor, not to be used with Fans or Motors
Installation	Auto load detection eliminates the need to configure neutral or non-neutral installs (unless using as the accessory device)
Max Wattage	600W Single-Gang, 500W Double-Gang, 400W Triple-Gang Incandescent. 300W LED (All Installations). 150W CFL (All Installations)
Min Wattage	Neutral Wire: No Minimum Required; Non-Neutral: Minimum 40W to 25W depending on light type (LED or CFL)
Dimensions	W: 1.83" / 46.51mm H: 4.13" / 104.78mm D: 1.25" / 31.75mm
Weight	4 oz / 28.34g
System	Total Control® Professional Programming Required
In The Box	LT-3300 Dimmer/Switch
Sold Separately	TRF-ZW10 Required
Warranty	Please visit <a href="http://www.urb-automation.com/warranty">www.urb-automation.com/warranty</a>
