TRC-1480 | HANDHELD REMOTE WITH VOICE CONTROL

Programmable Wi-Fi Remote Control with 2.4" LCD

OVERVIEW

Premium handheld remote provides primary whole-house control of entertainment and smart home devices – TV, cable box, A/V components, music systems, lighting, security cameras, door locks, thermostats, motorized shades and more. This high-performance remote with ergonomic design delivers two-way control of Total Control and third-party products for the ultimate smart home experience. An in-remote microphone provides for easy voice communicated control with Amazon Alexa*.

- Vibrant 2.4-inch touchscreen LCD
- Two-way quick connect Wi-Fi (2.4 or 5 GHz)
- Microphone and speaker allow for voice control and feedback
- Seamless integration with Total Control systems
- Charging dock included
